

Appendix I

St. Philomena Parish Centennial 1839 - 1939

The souvenir publication of the 100th Anniversary of the parish is reproduced here in its entirety. The author's name is unknown. This booklet gives, however, not only historical information, but some insight into the feelings and outlook of the parishioners of 50 years ago. It contains, also, a brief history of the discovery and subsequent canonization of the patron saint.
